CASE

C

HA Case [redacted] - Hungarian Considered for [redacted] Behavioral Project

H [redacted] H [redacted] H

D/I 1. A scientist from Hungary, [redacted], is currently the strongest candidate for employment by the C behavioral project group under [redacted] at [redacted] C

D/I [redacted] said [redacted] field of investigation and his published works make him the best prospect to date, although he is careful to point out that questions about his background must be resolved. [redacted] H

D/I 2. [redacted]

I [redacted] The [redacted] staff is impressed by his experience and achievements, outlined in attachment. He will B visit the [redacted] sometime next month to meet the staff and conduct a seminar on the neuro-physiological learning model he has I developed, the [redacted] described in the attachment under "Research Projects."

D/I 3. We are attaching data on [redacted] and will inform you of any further action taken by [redacted] and his group. Also D/I attached is a letter from Dr. [redacted] a former C candidate for employment, to [redacted] H
